DOCKET NUMBER
PETITION RULE PRM 26-2
(64FR67202)

Secretary of the Commission, U.S.
Nuclear Regulatory Commission

Dear Sir.

Please support the new regulations tightening requirements to prevent nuclear workers fatigue. The current lack of enforcement is frightening + could lead to a catastrophe.

I am 74 years old, but I have 5 girls + 19 grandkids. + I fear for them.

Sincerely

Raymond C Gross
